**JOINT MOTION TO STAY
PROCEDURAL AND DISCOVERY
DEADLINES, NOT OTHERWISE
RELATED TO PENDING MOTIONS**

Currently pending before the Court are Defendant Boston Scientific Corporation's Motion to Dismiss and Motion to Stay Pending Transfer to MDL No. 2326, and Plaintiffs' Motion to Remand (collectively, "Motions"). These Motions are still in the briefing stage. Also currently pending before the Judicial Panel on Multi-District Litigation is Plaintiffs' Motion to Vacate the Conditional Transfer of this action to MDL No. 2326.

Given the pendency of these Motions, and the likelihood that the outcome of any one of them will impact the procedural status and/or issues in this case, the parties hereby jointly move to stay all deadlines not otherwise related to the pending Motions, including the deadlines to file an Interim Joint Status Report, to serve initial disclosures, and to hold the FED. R. CIV. P. 26 Conference. The parties will continue to submit the necessary briefing for the pending Motions; however, the parties request, in the interests of efficiency, to stay any deadlines not otherwise related to the pending Motions.
